#CFJNAdvocacyDay <sup>5</sup>

Hope Lives Here

**CFJN**

California Family  
Justice Network

# The California Family Justice Network

**Advocates for the needs of victims of domestic and sexual violence, human trafficking, elder and child abuse in California with a focus on victim-centered collaboration, as practiced by its 26 member Family Justice Centers.**

**#CFJNAdvocacyDay**

# The California Family Justice Network

- California is the first state in the US to have a Family Justice Center Network.
- CFJN represents 26 FJCs, and 4 developing centers, throughout California serving over 70,000 victims of interpersonal violence each year, including 20,000 children.

# Survivor's Share Their Appreciation for Family Justice Centers

“ I appreciated the attention and now I don't feel trapped. I know where to go and what to do.”

“ They have been so helpful at a very scary time in my life. I've contact them 20+ times in 2-3 days and they are always kind and so helpful.”

“ I felt safe here and not judged for being here.”
